

Fun, Motivated Multi-Specialty Medical Team Seeks Neurologist

Company: We are a fun, motivated, multi-specialty medical team, located in Northwest Indiana (close to downtown Chicago, Burr Ridge, etc), providing inpatient/outpatient general neurology, neuromuscular, stroke and neurocritical care support to Northwest Indiana. For an energetic Neurology Resident or Fellow there is an immediate patient base, in addition to a significant overall need in the region.

Get in on the ground floor with a dynamic, motivated team expanding into a multi-specialty Neurology/Psychiatry/Rheumatology/Pain Management group!

Job Description: In order to provide excellent patient care in a professional, multi-specialty team environment, our neurology support includes all aspects of neurological health that follows best practice neurology standards of care. This is a tremendous opportunity for program development and leadership as you will be joining a successful, fast-growing medical operation and getting in on the ground floor with a dynamic, motivated, fun, and hard working team. Our neurology support includes ultrasound, EEG & NCV/EMG lab, with other ancillary services coming!

Competitive compensation and full benefits package, come along with an amazing and positive corporate culture!

Requirements and Qualifications: Physician/MD and must be a Board Eligible/Board Certified Neurologist.

This position does not qualify for J1 or H1B Visa waiver applicants.

How to Apply: For immediate consideration CV's and availability may be submitted via email no later than February 22, 2015. Applications received after will not be considered.
